SUMMARY

Storytelling is an age old tradition that has been passed down for generations. It is my passion to assist in the creation of high quality narrative.

With over 3 years experience within the industry, my current specialisms include Film & Video Editing, Colour Grading, Subtitling, Transcription and Localisation.

KEY ACHIEVEMENTS

Movie Premieres

Edited and cut down soundbites and B-roll for over 10 Movie Premieres. Resulting in swift delivery to broadcast networks and key revenue for the clients as well as the company.

Workflow Pioneer

Conceptualised, implemented and trained over 30 people on more than 5 new workflows for subtitling across departments. Resulting in efficiency improvements company wide.

Most Views

Edited multiple pieces of content for The Nordic Mythology Podcast that received over 100,000 views.

Record Project Delivery

Facilitated the production and delivery of over 1,000 scripts in under 2 months.

STRENGTHS

Analytical

Able to gather metrics and intelligence to make informed decisions and manage expectations.

Team Leadership

Ability to listen to and effectively mentor teams, while leading them towards high quality project completion.

Technical Proficiency

Experienced with the technical aspects of Localisation and Video Editing.

Creative Thinker

Practiced in adapting to demanding project requirements and offering potential solutions.

Clear Communicator

Ensures all members of the team are on the same page with each project and mitigates room for error between departments.
