EXPERIENCE - 11 YEARS

- 

Head of Subtitling & Scripting
Digital Media Services UK Limited
📅 07/2024 - Present 📍 London, United Kingdom
 - Acting as head of department, hired and line managed a small team of 2-3 skilled specialist Subtitling & Scripting Operators.
 - Lead the creation and delivery of transcripts and localised subtitles.
 - Coached over 8 individuals on new and old workflow practices.
 - Utilised my prior knowledge as a Lead Video Editor to rebuild key aspects of the department to refine workflows, efficiency and accuracy. Resulting in record turnaround and increased revenue.
 - Undertook the responsibility of Fire Marshal for the company.
 - Tested and aided development of a proprietary automation tool, to assist with our internal workflows.
- 

Lead Video Editor – Localisation
Digital Media Services UK Limited
📅 07/2023 - 07/2024 📍 London, United Kingdom
 - Stepped into the role of shift leader, where I led a team of 6.
 - Acted as a liaison for all other teams and departments during the shift.
 - Conceived and implemented at least 2-3 other small workflow updates.
- 

Junior Video Editor – Localisation
Digital Media Services UK Limited
📅 07/2022 - 07/2023 📍 London, United Kingdom
 - Worked more closely with shift manager, to assist with over 100 high-demand projects.
 - Trained over 10 new starters.
 - Took on the responsibilities of shift management and scheduling.
 - Created a new Subtitling workflow for the department, allowing everyone to automate the localised subtitle process.
 - Liaising with the Client Services team to manage expectations and produce the highest quality work we could in the shortest time.
- 

Graduate Video Editor – Localisation
Digital Media Services UK Limited
📅 07/2021 - 07/2022 📍 London, United Kingdom
 - Operated as part of a large team which serviced international clients 24/7.
 - Serviced the EMEA and LATAM clients for high-profile movies.
 - Utilised Adobe Premiere Pro and other software to localise assets for over 50 most anticipated movies.
 - Built, encoded and supplied localised assets.
 - Applied a high level of technical and creative skill.
- 

Senior Podcast Video Editor
Nordic Mythology Podcast
📅 01/2023 - 01/2024 📍 London, United Kingdom / Remote
 - Focused on managing the overall post-production of over 100 podcast episodes and clips.
 - Educated and led 1 Junior Podcast & Video Editor.
 - Updated the style and upgraded the quality of the podcast's content while improving the efficiency of the workflow for all subsequent episodes, reducing post-production costs and increasing revenue.
- 

Podcast Video Editor
Nordic Mythology Podcast
📅 06/2022 - 01/2023 📍 London, United Kingdom / Remote
 - Edited content for over 100 episodes of the podcast, to be posted on Spotify and YouTube.
 - Managed their social media accounts and promoted the podcast's activity on Instagram and TikTok for over 1 year.

SUMMARY

Storytelling is an age-old tradition that has been passed down for generations. It is my passion to assist in the creation of high-quality narratives.

With over 7 years combined experience in the industry, my specialisms include Video Editing, Colour Grading, Subtitling, Transcription and Localisation.

KEY ACHIEVEMENTS

- 

1 Billion Views
Lead all Scripting and Subtitling of the trailer launch for Spider-Man: Brand New Day. Which resulted in over 1 billion views worldwide. Making it the most viewed trailer launch ever.
- 

Record Project Delivery
Facilitated the production and delivery of over 12,000 scripts and subtitled assets in 1 year. Generating over £1.3Million in profit.
- 

Most Views
Edited multiple pieces of content for The Nordic Mythology Podcast that received over 100,000 views.
- 

Movie Premieres
Edited and cut down soundbites and B-roll for over 10 Movie Premieres. Resulting in swift delivery to broadcast networks and key revenue for the clients as well as the company.
- 

Workflow Pioneer
Conceptualised, implemented and instructed over 30 people on more than 5 new workflows for subtitling across departments. Resulting in efficiency improvements company-wide.

STRENGTHS

- 

Analytical
Able to gather metrics and intelligence to make informed decisions and manage expectations.
- 

Team Leadership
Ability to inspire and judiciously mentor teams, while leading them towards high-quality project completion.
- 

Technical Proficiency
Experienced with the technical aspects of Localisation and Video Editing.
- 

Creative Thinker
Practiced in adapting to demanding project requirements and offering potential solutions.
- 

Clear Communicator
Ensures all members of the team are on the same page with each project and mitigates room for error between departments.

EXPERIENCE - 11 YEARS

Freelance Video Editor & Colourist
Self-employed

 01/2019 - Present

 London, United Kingdom

- Built a high-end edit station at home by hand, allowing me to work on demand while providing capacity for over 16TB of files.
- Consulted and collaborated with over 6 directors and producers.
- Used Adobe Premiere Pro, After Effects, and DaVinci Resolve to create animations, edit, and color grade online-ready deliverables for more than 3 film and series projects.
- Archived over 10TB of files after project completion.
